Dataset: Flipkart Product Sales Performance (Domestic Marketplace)
Period covered: January - June 2026
Records: 980 orders | 10 products | 5 categories | 12 states | 19 cities

Field notes:
- Sales Amount (Rs.) = (Unit Price - Discount) x Quantity
- Order Date is an illustrative day-of-month; only Month was tracked at source
- Order Status: Delivered, In Transit, Cancelled, Returned
- 'Usable' orders for revenue/AOV analysis exclude Cancelled orders only

This dataset was constructed to support the accompanying Descriptive Analytics Report (Flipkart_Descriptive_Analysis_Report.docx) and is illustrative, not real Flipkart transaction data.
